H. Professional Standards

1. The O.I.C., Professional Standards shall oversee investigations relating to code of ethics, conduct and discipline. The responsibility of Professional Standards personnel are as follows:

- (a) Investigative Support Bureau shall:
 - (i) conduct the administrative investigation, on behalf of this Service, of all Occurrences resulting from the discharge of a P.R.P. Officer's firearm, where no injury occurs; and,
 - (ii) coordinate all P.R.P. investigations which fall within the mandate of the S.I.U., including:
 - shootings involving police Officers, where death or injury occurs; and,
 - deaths or injury which occur while a person is in custody; and,
- (b) Internal Affairs Bureau shall be responsible for conducting all investigations which contain a criminal allegation or complaint against any member of this Service directed by the Chief of Police or designate.
